<b>Semester Dates / Examination Period</b>	Winter semester: 10 October – 13 January Summer semester: 30 January – 02 June
--	---

	(Starting-finishing dates may vary slightly for each year). Evaluations are held at the end of each course by each Department via written and/or oral and/or practical evaluations.
<b>Information on Courses</b>	Modular courses are offered for 4 <sup>th</sup> and 5 <sup>th</sup> year medical students. Each modular course is given by the corresponding Department for a duration set by the Department (1-4 weeks). Each week of any course provides 2 ECTS credits except for Public Health training, which corresponds to 1,5 ECTS credits for each week. Schedule of the courses to be offered along with the course codes is announced at the Faculty's Exchange Programs website each year ( <a href="http://tipdegisim.akdeniz.edu.tr/">http://tipdegisim.akdeniz.edu.tr/</a> ). Students may also request extra clinical hours; the Exchange Programs Coordinatorship contacts Departments for availability for the requested clinical hours at the requested dates. 6 <sup>th</sup> year education program consists only of clinical training at scheduled subjects.
<b>Orientation</b>	Orientation activities are held by the International Relations Office.
<b>Transcript of Records</b>	Provided at the end of the study period by the Exchange Programs Coordinatorship.
