## How To Apply

The exchange application for undergraduate students is entirely online, through our application system called Mundus

1

The student must contact the Home Institution's international office and ask them to send a nomination with the student's name, email and exact period of interest to the e-mail [douglas.bartholomeu@fm.usp.br](mailto:douglas.bartholomeu@fm.usp.br)

2

The student will receive an e-mail containing a link to Mundus platform and instructions to complete the application: fill out personal information, select courses and upload some documents.
