

Student Assistant / Studentische Hilfskraft (w/m/d)

The Department of Dermatology, Venereology and Allergology at the University Hospital Würzburg is seeking a Student Assistant (8 hours/week) to join the new research group of Prof. Dr. Ugur Uslu, available immediately. The position is initially limited to 1 year, with the possibility of extension.

Tasks:

- Support of laboratory staff in routine work (e.g., laboratory stocking, cell culture preparation, buffer preparation)
- Assistance with general laboratory organization
- Opportunity to participate in ongoing research projects on CAR T cell therapy

Requirements:

- Enrollment as a student in biology, medicine, or related field
- Strong interest in tumor immunology and cellular therapies
- Reliability, team spirit, and motivation

We offer:

- Insights into cutting-edge immuno-oncology research
- A flexible student job compatible with studies
- Highly supportive working atmosphere

Application deadline is October 20th, 2025. Please send your short application (motivation letter, CV, transcript of records, enrollment certificate) as a single PDF by email to Braun_G@ukw.de.
